

## **Kenmore Elite® HE5t Steam™ Washer** PRODUCT FACTS

The Kenmore Elite® HE5t Steam™ washer helps conserve natural resources and save on utility bills by using 77% less water and 81% less energy.<sup>1</sup> And now, it goes beyond green to provide a laundry solution complementary to your lifestyle — inside and out. One of three new designer colors, Chai adds a modern look to any laundry room, while innovative features like Steam Treat™ clean multiple stains in one load. Plus this washer is proven to remove allergens like animal dander and dust mites. And, with the capacity to clean up to 25 bath towels in one load,<sup>2</sup> you can spend less time doing laundry and more time focusing on the things that matter most. It's not a dream. It's Kenmore® laundry.

**Available Models/Dimensions:**

38"H x 27"W x 32"D

**Innovations:**

- The Steam Treat™ option cleans multiple types of stains in one load
- The Steam Sanitize wash temperature is NSF® Certified and eliminates 99.9% of certain bacteria.
- The Timed Oxi™ option keeps colors and whites looking bright.
- The 4.4 cu. ft. Capacity cleans up to 25 bath towels in one load.<sup>1</sup>
- Allergen Removal frees fabrics from more than 95% of common household allergens like dust mites and animal dander.<sup>2</sup>

**Styling:**

- This washer is available in 3 new designer colors: Chai, Twilight and Truffle
- Chrome accents give this washer a sophisticated look.

**Eco-Friendly:**

- ENERGY STAR® qualified washer helps save money on utility bills.
- This washer saves 77% water and 81% energy to help conserve natural resources.<sup>3</sup>
- The Save Energy Plus option conserves up to 19% more energy for added savings. (Kenmore Exclusive)
