Design Highlights:

- **French Door Bottom Freezer Design** adds both style and convenience to your kitchen
- **Smooth Contoured Doors with Hidden Hinges** for a contemporary built-in look
- **Hidden Dispenser Design** utilizes exclusive technology to enhance the exterior design. This creates a flush, continuous door surface when closed.

Features:

- **Hidden External Ice & Water Dispenser** provides fresh filtered chilled water and cubed ice right through the door. The unique design allows dispensing into pitchers and other large containers.
- **Express Fill Dispensing** fills your glass with chilled water in less time.
- **The In-the-Door Ice Making System** places the entire ice making and dispensing process in the door to free up valuable shelf space
- **Electronic Digital controls** are simple to use and easy to clean
- **Recessed LED Interior Lighting** adds a bright, modern look to the interior and enhances usable space.
- **Full Width Temperature Controlled Pantry Drawer** holds even large items like party platters and deli trays.

- **Tilt N Take Freezer Door** makes accessing often used items in the freezer quick and convenient. Plus it is a Kenmore exclusive feature.
