

Kenmore Elite 25.1 cu. Ft. Side-by-Side Refrigerator with Shaved Ice Dispensing and Color LCD Controls
PRODUCT FACTS

This Kenmore Elite ENERGY STAR qualified side-by-side refrigerator combines technology with elegant style to meet the needs of today's modern kitchen. The advanced dispenser features a color LCD with touch screen controls and provides more usable space for filling the tallest and widest containers easily. Measured fill lets you choose an exact amount of water and walk away, and the new Shaved Ice technology offers a third option in ice dispensing, offering multiple entertainment options from whipping up snow cones and smoothies to keeping party platters chilled.
