

Kenmore Ultra Wash HE Dishwasher PRODUCT FACTS

The Kenmore Ultra Wash HE dishwasher system ensures great cleaning results while saving water and energy. Three distinct cleaning technologies combine to create the Ultra Wash HE wash system: The Ultra Wash HE filter, SmartWash HE sensors and Automatic Temperature Control.

Available Models/Dimensions:

- 13882/3/9

Highlights:

- Save on your energy bills – Costing \$25–\$33 a year to operate, this ENERGY STAR® qualified appliance uses up to 20% less energy than dishwashers without the ENERGY STAR® rating
- Conserve water and energy – The Ultra Wash® HE System saves up to 41% water and 34% energy
- Save on your water bills – The SmartWash™ HE Cycle conserves up to four gallons of water for every ten gallons you would normally use
- Save effort with TurboZone™ Rotating Spray Jets – TurboZone™ provides a concentrated wash to dishes placed in the back of the rack and eliminates the need to pre-soak dishes
- Keep dishwasher noise to a minimum – At 52 dBA, QuietGuard™ Deluxe sound insulation ensures dishes are cleaned without interrupting daily activities or conversations
- Clean with the power of steam – The Steam Sanitize option kills 99.999% of certain bacteria, giving you the peace of mind that your dishes, glassware, and baby bottles are clean and sanitized
- Increased capacity – Tall Tub design accommodates tall platters, large pots, many large dinner plates, and more
- Helps hide stains – This attractive, colored tub is designed to resist stains and keep your dishwasher looking clean

MSRP: \$699.99
